I was much interested in the News of the

Kanyon; when the Rail Road is Compl-

eted Coal may take the place of Wood

to a great extent. I am Sorry the Creek

is So completely filled up I think the

water must have cut in the Hills

above Bro Hinmans + washed the

Gravel from there + the Water Sect.

I hope the School house that is

taking the place of Bro Milers Dom

-cile is Completed; which I hope to

hear more of at another time.

I suppose the Turbine Wheel arrived

Safe I am sure Father has much

to see to in Building the Mill

in Weeber Valley [Weber Valley] besides So much

Else to do you must have had

Some Slipery Road in the Kanyon

as the Snow seems to have fallen

rather Early this year. I hope the

Association are progressing finely

please remember me kindly to

them + [...] them to keep up their

good Name which they have So well
