A Tribute to Aurelia S. Rogers

BELOVED PRIMARY FOUNDER

Image #1Standing before the home of Aurelia S. Rogers is Brother Clark [Amasa Lyman Clark] who is 101 years of age.I was just one of the multitude who knew and loved Aurelia S. Rogers. She was a lovely woman who loved children and knew how to get them organized into some activity or another to keep them busy. I was one of the older boys when the Primary was organized and was at the very first meeting with quite a large group of other children. I am now the only person living who was in that first meeting.

I have always loved the Primary and do now.
