Mr. E. B. Clark

Farmington, Utah

Dear Mr. Clark:

At the Annual Meeting of the Farmington National Farm Loan Association held in Farmington recently, it was particularly noted that this association still remains in class 1.

Mr. Gailey, your successor as president, of the Farmington Association expressed the opinion that the status of the association was largely due to your efforts as an appraiser while you were its executive officer. The membership of the association seemed to greatly appreciate this fact and motion was duly made and seconded and unanimously carried that you be given a vote of thanks for the efforts which you put forth in behalf of the association during you many years as president and head of the loan committee. It is my great pleasure to so advise you and to wish you many years of continued health and happiness in your retiring age.

Yours very truly,

J.R. Hinchcliff

Secretary-treasurer
