Title: **ETC-home**
Provenance:

Category: **Document**
Person:
Date:

"Ezra T Clark home in Georgetown, ID", this writing is according to someone who was likely confused, as it is clearly the Ezra T. Clark home in Farmington. This was discovered in Bryant R. Clark's records, who grew up in Georgetown and was the son of Edward B. Clark and Alice Randall Clark. Another photo that accompanied it in the same collection mentioned the year 1908 on its back, so the assumption is this photo was taken around that time, but it can’t be certain.
